TIP Add a sentence-like label to sticky notes to make it easier to find, discuss, organize and categorize important ideas as they're added to your board.

Step-3: Idea Prioritization

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

TIP

Participants can use their cards to point at where sticky notes should go on the grid. The facilitator can confirm the spot by using the laser pointer holding the H key on the keyboard.
